

One-Year Bible Reading Plan

The following reading plan gives 3 paths to making your way through the bible in one year. The path you choose will depend on your background, your goals, and the time you have available.

The 'complete' path will take you through nearly every word of the bible. It's presented in larger sections to give you more to think about.

The 'in depth' path will give you a solid understanding of the people and stories of the bible, but with less than half of the reading involved. It is closely related to the complete path, but omits some sections.

The 'sample' path gives short and memorable verses that represent some of the most important beliefs and stories in the Christian faith.

You can pick up this plan at any time of the year and progress through it week by week.

Week 1					
	Complete	In Depth		Sample	
S	Psalms 1, 2, 4; Proverbs 1:1-19	Luke 1:26-38	<i>Announcement to Mary</i>	Psalm 24:8-10	<i>King of Glory</i>
